

## Why Puerto Rico?

- ✓ As a non-resident of the United States you will have the same benefits and services offered by an American bank.
- ✓ You can open your account from the comfort of your home or office.
- ✓ Our representatives will be responsible to visit your home or business without the need for you to travel to PR to open your account.
- ✓ You can mobilize your funds through our online banking platform from anywhere in the world.
- ✓ We do not limit ourselves as most traditional banks to offer you banking services from a branch.
- ✓ Our products are designed according to your needs through our Online Banking and Telephone Banking.
- ✓ Personalized service in your own language.
- ✓ Toll free customer service line.
- ✓ Account management in dollars to protect your assets.
- ✓ Access to your account 24 hours a day, 7 days a week, 365 days a year.
- ✓ We have the same banking laws and regulations as an American Bank and are regulated by the office of the Commissioner of Financial Institutions of Puerto Rico [www.ocif.com.gov](http://www.ocif.com.gov).
- ✓ You can access our mobile banking to see the activity of your account in real time.
- ✓ We offer a wide range of products with competitive interests.
